The 2004 San Francisco Decorator Showcase will be held April 24 – May 23 and features a remarkable Tudor Revival-style mansion, which for the past half century has been the diplomatic home of the British consul general. Many distinguished dignitaries, including members of the Royal Family, have visited this 11,000-square-foot manse built by famed architect Lewis Hobart (also known for creating San Francisco's Grace Cathedral). Tickets are \$25 and may be purchased by phone or on the web. 415.447.5830. www.decoratorshowcase.org
